

Cassis Debuts New Menu, Patio Cabanas

One of our favorite bistros updated the indoor bar, outdoor lounge and patio and introduced a spirited new bar and food menu just in time for the holidays.

"We've had an amazing seven years in St. Pete and want to continually elevate our guests' experience," said executive chef, Jeremy Duclut. "Having learned a lot since our opening in 2010, we are putting experience to good use by raising the bar and keeping pace with St. Pete's growing foodie experience culture."

The 2nd Avenue North patio area now features a brighter, lighter free-standing

lounge area with four cabanas and two high tops. Tentatively named "The Lounge at Cassis," it features an exclusive cocktail menu crafted by Cassis and made with fresh ingredients on order with daily drink specials:

Monday: Industry Day (40% off your entire bill if you work in the hospitality business) \$5 Bloody Marys & Mimosas

Tuesday: Extended Happy Hour at the Bar from 7pm to Midnight

Wednesday: Ladies Night (BOGO on all cocktails, wine, and beer for the ladies)

Thursday: Smokey Thursdays (\$5 Smoked Old Fashioneds and Sazeracs)

Sunday: Sunday Funday (\$20 Bottles of House Sparkling White Wine & \$10 Oysters by the half dozen)

Cassis' happy hour deals include both the bar and restaurant every Monday through Friday from 4pm-7pm. On Tuesdays, happy hour runs from 4pm-7pm at the bar and restaurant, then continues from 7pm to midnight at the bar. Cassis' Happy Hour includes:
